### Abstract Submission Guidelines

1. All papers must be original and not previously and simultaneously submitted to another journal or conference.
2. Authors who wish to present their research or review papers at the conference must submit their abstracts according to the guidelines given below.
3. All accepted research papers will be published online. The acceptance of the work ensures that the research paper will be presented at the conference. If the research paper involves more than one author, we expect the presence of at least one author at the conference.

4. Once your research paper is accepted for the presentation, you have to make the necessary revisions as requested by the reviewers.
5. Abstracts, in both Word format and PDF formats, should be sent to [icpir@bpu.ac.lk](mailto:icpir@bpu.ac.lk) before the deadline.
